Supplies Wishlist

**Kleenex &
Clorox Wipes**

Note: You'll notice our supplies wish list is rather small. This is because your child's supplies, necessary for their success in 6th grade, will be purchased by the Public Schools of Petoskey. If you would like to help restock our hallway supply closet with Kleenex and/or Clorox Wipes, your child's homeroom teacher will gladly accept the donation! Thank you for your support!

Growing Together • Learning Together

NORTHMEN FOREVER

PUBLIC SCHOOLS OF PETOSKEY

Dear Future 6th Grade Families,

Welcome to Petoskey Middle School! We are looking forward to welcoming all 6th grade students in September! Please know that we want to first share that we're here to support families and students every step of the way.

At Petoskey Middle School, we focus on learning and growing together during these formative years of adolescence. Students will be exposed to quality curricula in the core content areas of Math, English, Science, and Social Studies, and they will have engaging opportunities in exploratory courses. We strongly encourage students to get involved in an extracurricular activity. Developing a sense of belonging is important, and extracurriculars are a great way to do just that!

To keep your family updated on educational and extracurricular opportunities beyond the classroom, we plan to send periodic homeroom emails. Please make sure your email is up to date with the Middle School office to ensure you'll receive those. Your child's teachers and Petoskey Middle School staff are committed to helping them succeed to the best of their ability, both academically and personally!

In the 6th grade hallway, students are expected to be responsible for their actions and follow our **Full Value Agreement**. This agreement requires them to work as a team, be safe (emotionally and physically), and speak up. We want all students to have an enjoyable, productive 6th grade year. By following this agreement, we can ensure greater success for all!

Fun activities that your child can look forward to include the Fall Fling at Northern Lights, snowshoeing in the Winter, fun games and rewards in the classroom, as well as learning from a team of teachers who greatly enjoy collaborating and working with each other! We are looking forward to a great year starting in September!

Sincerely,

6th Grade Teachers
