## Supplies Wishlist

**Kleenex &  
Clorox Wipes**

**Note:** You'll notice our supplies wish list is rather small. This is because your child's supplies, necessary for their success in 7th grade, will be purchased by the Public Schools of Petoskey. If you would like to help restock our hallway supply closet with Kleenex and/or Clorox Wipes, your child's homeroom teacher will gladly accept the donation! Thank you!

## **Dear Future 7th Grade Families,**

We are so looking forward to welcoming all 7th grade students to the hallway next year! This next school year is set to be exciting and enriching, and as students transition from 6th grade, we want to first share that we're here to support families and students every step of the way.

7th grade is a time of growth, new learning experiences, and opportunities for your child to discover their interests and passions. Students will explore new topics within the subject areas they're familiar with-- Math, English, Science, and Social Studies-- and they will have engaging opportunities in familiar and new electives! Our teachers and staff are committed to helping your child succeed to the best of their ability, both academically and personally.

In the 7th grade hallway, students are expected to be responsible for their actions and follow our **Full Value Agreement**. This agreement requires them to work as a team, be safe (emotionally and physically), and speak up. We want all students to have an enjoyable, productive 7th grade year. By following this agreement, we can ensure greater success for all!

Fun activities that your child can look forward to are climbing at Camp Daggett in the Fall, swimming at Avalanche Bay in the Winter, fun games and rewards in the classroom, as well as learning from a team of teachers who greatly enjoy collaborating and working with each other!

We communicate regularly to give our students the best opportunities for success through monthly homeroom emails; please make sure your email is up to date with the Middle School office. We are looking forward to a great year starting in September!

**Sincerely,**

The 7<sup>th</sup> Grade Team
