Supplies Wish List

**Kleenex &
Clorox Wipes**

Note: You'll notice our supplies wish list is rather small. This is because your child's supplies will be purchased by the Public Schools of Petoskey. If you would like to help restock our hallway supply closet with Kleenex and/or Clorox Wipes, your child's homeroom teacher will gladly accept the donation! Thank you for your support!

NORTHMEN FOREVER

PUBLIC SCHOOLS OF PETOSKEY

Dear Parents/Guardians,

We hope you enjoyed a fun and relaxing summer! We are looking forward to a wonderful year with your child as they finish off their middle school years and get ready for high school.

Throughout the school year, your child's homeroom teacher will periodically send out emails to keep your family updated on 8th grade-specific information. Please make sure your email is up to date with the Middle School office to ensure you'll receive those. Your child's teachers and Petoskey Middle School staff are committed to helping them succeed to the best of their ability, both academically and personally!

In 8th grade, students are expected to be responsible for their actions and follow our **Full Value Agreement**. This agreement requires them to work as a team, be safe (emotionally and physically), and speak up. We want all students to have an enjoyable, productive 8th grade year. By following this agreement, we can ensure greater success for all!

Fun activities that your child can look forward to during their 8th grade year include: skiing in the winter, climbing at Camp Daggett in the spring, and rafting with their classmates at the end of the school year. There is also a Washington, D.C. trip offered to 8th graders, and information for that trip can be found at this [link](#).

If you have any questions, please contact your child's homeroom teacher for assistance. Thank you very much, and we look forward to seeing you very soon!

Respectfully,
8th Grade Staff
